### WHAT OUR CUSTOMERS ARE SAYING

"We had a great experience working with the Fitness Gallery team to design, order, and install new equipment in our Stadium Room Gym. All of the strength equipment included custom upholstery and was embroidered to match our branding. We're very pleased with the result, and highly recommend Fitness Gallery as they made the process seamless."

— **BRETT SEIBEL, FMP, SFP, PROJECT MANAGER AT DENVER BRONCOS**  
★★★★★

"Donnie did a fantastic job of helping me redesign our gym. The space is much more functional now and the equipment is outstanding. I have received nothing but rave reviews from the employees in my building that work out and now membership is going up! Great job and thank you to you and your team!"

— **BOB MARSHALL, REGIONAL FACILITIES MANAGER, NORDSTROM**  
★★★★★

"I am a fitness trainer and new gym owner and these guys worked with me to get my gym up and running with the best equipment and exciting new toys for my clients! Thank you, Fitness Gallery!"
