The XE295 is our mid-priced traditional elliptical. It has the same features as the XE195 plus two heart rate and user programs, additional console feedback, adjustable pedal angle, and various hand grip positions. This model is very appealing to someone that values extensive feedback and variety.

FEATURES

- 7.5" bright blue backlit LCD screen with separate Muscle Activation Profile and HR % Profile LED displays
- Remote handlebar toggles for resistance allow for secure workout changes without taking your hands off the handlebars
- Dual track system with concave roller wheels and aluminum rails for added stability and durability
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap included)
- Adjustable cooling fan and dual speakers with audio jack for comfort and entertainment
- Bluetooth compatible with SPIRIT FIT App to monitor and record your workout data
