There are several key areas that signify a well-designed treadmill, and the XT285 exemplifies each of them. A comfortable belt and cushioning system, powerful-drive motor, durable and stable frame, straightforward console and programming, and eye-catching aesthetics. All of these features are important in building a quality treadmill that will retain its value for many years.

## FEATURES

- 7.5" bright blue backlit LCD screen
- Direct-access speed and incline buttons to save time and make workouts more efficient
- Remote handlebar toggles for both speed and incline allow for secure workout changes without taking your hands off the side handlebars
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap included)
- Spacious 20" x 60" workout area with powerful 3.0HP motor
- Adjustable cooling fan and dual speakers with audio jack for comfort and entertainment
- Built-in Bluetooth FTMS lets you connect your machine with fitness apps like Zwift, Kinomap, SPIRIT FIT, and more
