

C-511

Half Rack

C-511 ↗

Description :

- Sturdy 3" (7.6 cm) x 3" (7.6 cm) 7-gauge steel uprights with laser cut holes spaced at 2" (5 cm) intervals (on all 4 sides)
- 4 Handle pull-up with three height adjustments allows for multiple gripping positions
- Standard 10 Premium weight storage horns eliminate the need for separate weight trees
- Comes standard with 2 Olympic bar holders
- Cage is mounted on Atlantis Safety Base, which extends beyond the cage structure and provides exceptional stability
- Height of the unit can be customized upon request.
- Available in standard 8' (244 cm) or 9' (274 cm) tall frames.
- *Standard model shown*
