HOIST® LeMond® Series
UPRIGHT TRAINER

The HOIST® LeMond® Series makes performance and comfort a priority. Built to deliver a better workout, every component of the HOIST® LeMond® Series UT has been designed to make this the most innovative indoor upright bike available. Designed in partner with three-time Tour de France Champion Greg LeMond, this new design combines innovative technology with unique features that allow the rider to create a custom riding experience. A superior frame, wide range of seat and handle bar adjustments and even two seat options are just some of the many features that define this bike as a leader in the home fitness industry.

FEATURES

- Comes standard with two seat options for optimal comfort
- CaloriePUMP™ feature to highlight calories burned
- Upgraded LCD display console
- Bluetooth LE enabled with free HOIST Bikes app to track fitness progress
- Large range of resistance levels — set between 1 and 20 for a usable watt range from 33 to over 1,200
- Attractive, sleek and compact design — takes up less space than an elliptical or treadmill
- Upgraded larger pedals with ratchet style straps for secure and comfortable foot positioning
- Workout programs — 14 featured programs including 7 designed by Tour de France winner Greg LeMond
- Vertical and fore & aft handlebar and seat adjustability – find your perfect fit!
- Telemetry heart rate equipped — 5 kHZ Polar compatible heart rate straps (Not Included)
- Self-powered option or power cord for 24/7 power (power cord not included)
- Narrow crank design — replicates the geometry of a road bike for greater comfort
- Digital drive system — for smooth and accurate power feedback
- Standard threaded cranks — compatible with all standard cycling pedals
- Calibration free — unbox, then hop on and ride
- Contact heart rate sensors
- Strong, durable frame
- Upgraded handle bar design
- USB charging port — charge your device while you work out

CUSTOMIZE YOUR WORKOUT

Users can select one of 14 unique workout programs, including seven exclusive training sessions designed by three-time Tour de France champion, Greg LeMond. HOIST LeMond Series bikes come with a free download of the HOIST Bikes app (available for Apple and Android devices) where users can track and monitor workouts and long-term fitness progress. With this app, users can check individual workout stats, compare week-over-week and month-over-month stats, or try to beat your personal 'bests'. It's a perfect tool to stay motivated and improve health in a fun and engaging way.

OPTIMAL ADJUSTABILITY

Completely customize your fit with vertical and fore & aft adjustments on both the handlebars and seat.

PATENTED CaloriePUMP™ MONITOR

A one-of-a-kind monitor feature that provides a fun and engaging way to track calories burned.

BLUETOOTH LE ENABLED CONSOLE

Download the free HOIST Bikes app and connect your mobile device via Bluetooth LE to track and store your workouts and fitness progress.

MULTIPLE SEAT OPTIONS

Comes standard with two seat options to provide maximum comfort and versatility for a variety
of users.

Download the HOIST® Bikes app and connect via Bluetooth LE to record all your workout data
