VAPOR ADX

TRUE®

The ADX bike delivers simplicity, durability, and low maintenance. This self-powered air bike features a unique 26-blade fan for smooth, dynamic resistance—perfect for high-intensity workouts. Its heavy-duty, moisture-resistant construction ensures reliable performance under daily use.

Cushioned MultiGrip handlebars offer horizontal and vertical grip options for muscle targeting and variety.

Users determine the intensity level and resistance - settle into steady state cardio or go hard with intensity training.

Designed for extra comfort, the ADX bike has multiple adjustment options to accommodate different size users.

Stationary anti-slip foot pegs with triple-sided grip pads provide upper-body isolation and traction.

Our custom-designed, 26 -blade performance fan design allows exercisers to generate more watt power efficiently and burn more calories.

FEATURES

- Full-commercial grade
- 26-blade performance fan
- Inertia performance drive system
- Single-stage belt for instant activation
- Class A watts rating
- Smooth motion
- HIIT workouts
- Calibration technology

SPECIFICATIONS

DIMENSIONS (L x W x H)
55” x 26” x 53” (140cm x 66cm x 135cm)

DRIVE SYSTEM
Single-stage belt drive

PRODUCT WEIGHT
113 lbs / 51 kg

COLOR
Matte Black

CONSOLE

The ADX bike’s built-in LCD console provides real-time workout feedback, including a tachometer display and watts calibration that adjusts to elevation. With progressive wind resistance, wireless heart rate compatibility (ANT+® & Polar®), and quick-start program keys, users can train efficiently. Plus, its self-powered design ensures hassle-free operation anywhere.
